Tell us what you need.

01 / Choose a style

Share the product link or style name, the quantity and your preferred colour, size or finish.

02 / Share your destination

Tell us the delivery country and city, intended use and preferred timing. Shipping feasibility and documentation depend on the destination.

03 / Confirm before ordering

Ask for current photos, exact specifications, origin, availability, quotation, payment and delivery terms. Sample arrangements are confirmed individually.

Sourcing and Bangladesh craft

The sourcing direction includes China. Leather refinement and craftsmanship in Bangladesh are introduced separately on the website; product origin varies by item.

An enquiry is not a purchase

There is no online checkout or payment on the site. This catalogue does not confirm stock, blanket minimum quantities, free samples or fixed prices.
